

FAIRLAWN HAVEN

CARE CENTER VISITOR GUIDELINES EFFECTIVE JUNE 17

- Visiting hours are 9 am to 7pm, everyday (including weekends)
- Each resident is permitted up to two (2) guests during each visit.
- Visits DO NOT need to be scheduled in advance.
- All guests must enter through the main entrance off Lutz Rd (center door).
- Each visitor will have their temperature taken and be asked a series of screening questions.
- Each visitor that passes the screening will be asked to hand sanitize and wear a provided medical mask while in the facility.
- Guests will proceed directly to the resident room. (Note: Guests are not permitted to visit multiple residents at one time and may not wander the hallways).
- If both the resident and guest are fully vaccinated, masks can be removed in the room during the visit (note: masks must be worn when in public spaces such as hallways).
- Residents that are in a shared/split room can visit in their room, or staff can facilitate finding a larger space within the care center.
- Children 7 and over are permitted inside the care center for visits.
- Children under 7 and visits with pets, can be arranged for outdoors on the porch.
- If more than 2 people want to visit together with a resident, arrangements can be made for an outdoor visit on the porch.
