Help Feed the Kids

The "Snack Sisters", is a group within the nonprofit Shepperd Circle and they are hoping to partner with the residents of Fairlawn to help feed the students of the local IEC school. The IEC school has children going home for the weekend with not enough or in some cases any food for the weekend.

The Independence Education Center (IEC) is a self-contained building for students at the K-12 level who require intensive behavioral support to meet their educational goals. The school services many of the local schools in northwest Ohio, including the Bryan school district.

This school year they have fifty plus students registered. The goal is to provide a "snack pack" available to every student who wishes to take one home on Fridays.

If you would like to help feed these children. The way you can help is by donating items for the snack pack or a monetary donation for "Snack Sisters" to buy items. A donation box will be at Wyse Commons with the listed items posted on it:

Items needed:

- Trail mix
- Pop tarts
- Oatmeal pies
- Breakfast bars
- Peanut butter crackers
- Beef sticks that do NOT need refrigeration
- Cheese sticks that do NOT need refrigeration
- Individual microwavable mac n cheese
