TIME WITH TAMMY

Warm weather is finally here, and I know many of us are looking forward to outdoor activities. I recently enjoyed a weekend getaway to Hocking Hills, one of my favorite places in Ohio. Hiking and being in nature surrounded by the beauty of God's creation truly does bring me great joy. One of the not so pleasant aspects of being outside this time of year is seasonal allergies!

- From the Cleveland Clinic, here are some seasonal allergy tips:
- Run your air conditioner rather than open windows to keep pollen outside.
 - If you are doing outside activities, pollen count is worse between 5am-10am.

I hope you can take part in the summer activities that bring you great joy. May you enjoy garage sales, lemonade, lake days, camping, cookouts....whatever makes you happy!

Magic by Jania
June 10th at
3:30PM
Wyse
Commons

Astound yourself with Magic!

Magic by Jania is one of the few women in the world performing a classic magic act.

This act is pure skill, and a classic magic act. There are no fancy magical boxes that do the magic for her. Jania and her skilled dexterity create wonders of magic that you will enjoy. Completely choreographed to music, Jania commands cards, billiard balls and jewelry to appear and disappear at the tips of her fingers.

Magically, Jania will make your entertainment worries disappear. Jania creates memories that will linger long after the end of the event.

You will leave the event talking about the fabulous entertainment you just witnessed!
