## Christmas Cheer Tree is back at Wyse Commons!

Fulton County residents continue to band together to donate time, money, and gifts to help families in need during the holiday season. Fairlawn is pleased to be a partner with Christmas Cheer by serving as a drop off location for food, gifts, and other needed items. On November 1st, the annual Christmas Cheer Tree in Wyse Commons

will be filled with ornament tags that list items needed to make this year's Christmas Cheer a success. Please stop by and select a tag (or a couple tags!) of items you would like to donate. All items must be dropped off at Wyse Commons by December 9th to be transported to the Fairgrounds to be sorted and stocked. Christmas Cheer will be open on Dec. 11-12 for families that have registered. We hope you can join us as we work to support families in need!

## Frequently Asked Questions about Hospice Care

**Nov 21, 1:00PM - Wyse Commons**

Hospice care focuses on the care, comfort, and quality of life of a person with a serious illness that is approaching the end of life. It often includes emotional and spiritual support for both the patient and their loved ones. Still, deciding whether and when to start hospice can be a difficult decision, and it may cause people to feel confused or overwhelmed. Come join Lisa Vollmer, Assisted Living and Wellness Director along with Heather Fitzenreiter from Heartland Hospice. Explore answers to frequently asked questions about hospice care and its potential benefits.

# TIME WITH TAMMY

The season of fall that is characterized by changing leaves, pumpkin spice lattes (yes, I love my coffee), and football is here. Fall is my absolute favorite season, but I think what I love the most about fall is simply the distinct changing of the seasons. One of my favorite fall related quotes is this- "the trees are about to show us how lovely it is to let things go."

As I reflect on the changing seasons, it reminds me in life that I need to be

flexible and adaptable to change. Sometimes, that change does involve some letting go of "things." These things might be ideas or habits or may simply involve some willingness to challenge yourself to look at things with a different perspective.

In this season of change, I would like to provide you with a quick update on the Master Planning. We continue to work with the Board to determine the best next steps for the building and renovation plans and our capital campaign. We have made a lot of progress from last year in terms of the strategic and intentional planning, and we will continue to do so. More to come!

May the legacy and the mission of Fairlawn continue to flourish.

To be continued.....

## Guess the Winner, Guess the Score for the BIG Game!!

It's football season in November and it is shaping up to be a colossal matchup between Ohio State and Michigan!

Stop into Wyse Commons and guess the winner and the score by Friday, November 29th!

The closest person will receive a \$25 gift card to 3 Cord

## Snow Removal

It is crazy to believe snow may fly soon, but it is true. This season, Custom Turf Solutions will be handling all snow removal on campus involving roads, driveways and parking lots. Our priority for Snow is as follows: Care Center/Assisted Living- this ensures staff and emergency personnel can access out building safely. Second, USDA Apartments.

USDA Apartment's only means of exit is their one doorway where their sidewalks take them to their vehicles. Third priority is Duplexes & Wyse Commons. Everyone in these homes can access their vehicle without stepping outside so therefore this is priority number 3. The snow removal crew very much appreciates your cooperation this season keeping your vehicles parked in your garage. When you park your car in the driveway you will not be able to receive a quality clean of your drive. Extra vehicles can be parked in the big lot up by the community building when heavy amounts of snow are forecasted.
