Fairlawn is Headed to the ZOO!

The Toledo Zoo is excited to offer Senior days at the Zoo! Fairlawn is planning a trip on Wednesday, September 11th! The bus leaves at 9AM and we expect to be back between 3 & 4 PM! Do not fret the long walk, Fairlawn will be dropping everyone off at the door. We encourage you to bring your walker! There will be plenty of places to take a break along the way! You won't go hungry as each person will get a free small coffee and a muffin at the zoo bakery!

Bring a few dollars and we will grab some lunch as well! Cost is \$10 per person! We have limited spaces available so call Joyce to sign up! If you are able to drive your own vehicle and wish to follow the bus, you are more than welcome to! Please specify that to Joyce!

Let's Go Fly a Kite!

Friday, September 6th
1PM at The Chipping Green Lawn

When is the last time you flew a kite? Been a while most likely. Joyce will be out on the side yard of Wyse Commons with several kites! Amy will be her assistant and we will get everyone a kite in the air!

ARE YOU COVERED?

Are you covered? As open enrollment for insurance is quickly approaching. Fairlawn wants to ensure that you understand what coverage options are available when considering what your future needs may hold such as therapy or a skilled nursing stay.

A Message from Fairlawn Board of Trustees

The Board of Trustees of Fairlawn Haven would like to recognize the outstanding performance of the Fairlawn team to continue to make Fairlawn the caring, welcoming community that it is. The most recent improvement in our star rating is a perfect example of the daily hard work each you do, and as Tammy stated when she shared this with the Board, it takes a team to get this done, so I want to take this opportunity to thank you.

Tom Warner, Fairlawn Board President

We also recognize that to lead this ongoing improvement, it takes good solid leadership and we as a Board are pleased and excited with the leadership that Tammy has displayed. Tammy came to Fairlawn in June of 2022 as our Healthcare Administrator with over 20 years of experience in various Senior Living roles. When our interim CEO left in March of 2023 it was clear to the Board that Tammy had the potential to lead the organization and she was promoted to Executive Director. Over the last 17 months, she has demonstrated the leadership qualities needed to make positive improvements in the ongoing quality of care, continuing improvement in our financials and oversight in a much needed facilities renovation project just to name a few. With all of this considered, it is with great pleasure that the Board would like to announce we are promoting Tammy to CEO effective immediately. Her responsibilities and day to day duties will not change. We look forward to the continued leadership that Tammy and her team will provide for all of the future improvements that will be needed as we continue to adapt to the changing Senior Living needs at Fairlawn Haven.

Tom Warner
Fairlawn Haven Board Chairman

Let's Pot Luck!

Bring a dish to share to the Community Building on Labor Day!

September 2nd, 12:00PM. The Morrison Company and Fairlawn will be donating Bratwurst, Buns, and Sauerkraut for all who want to join in the fun.

Please sign up at the Community Building or call Amy at 567.444.5103

with your name and dish you want to bring to share. Come all, come hungry!

Village Council Represents YOU!

If you have any concerns about our Fairlawn Community please reach out to your Village Council representative to share your thoughts. We are thankful to have a great group to represent you and to ensure Fairlawn is doing all we can to make living here a great experience.

Fairlawn Tree Replacement Project

Sponsor a New Tree

Several Ash trees have been removed from campus due to the Emerald Ash Borer bug that has destroyed these beautiful trees. Years ago an initiative was started to replace these trees. The trees donated to the campus are intended to be in memory of a loved one. Fairlawn has chosen 4 options to choose from to replace the beloved Ash. Pictures of these beautiful tree options can be found in the lobby of Wyse Commons. If you wish to sponsor a tree, simply fill out the form (also located in Wyse Commons). Complete the form and return payment to Fairlawn and the order will be placed. All trees will be planted in the fall of 2024 for best results.

How do I sponsor a tree?

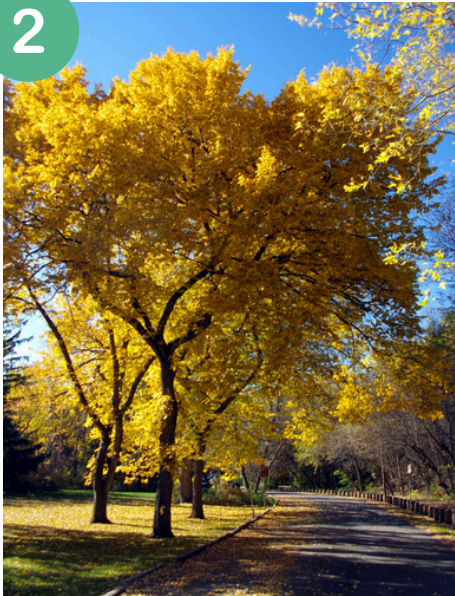

- Choose option 1, 2, 3, or 4
- Cost- \$300
 - Check or Cash made out to Fairlawn Inc.
- What's included?
 - Planting of the tree
 - Consistent Watering of the tree
 - Staking of the new tree
 - Plaque at the Chapel Entrance of Fairlawn.

Option # 2

Valley Forge Elm

Valley Forge American Elm is a large-maturing shade tree with a dense canopy of dark green leaves and the graceful arching habit. This deciduous tree typically grows to 60–80 feet tall with a broad-rounded crown. It is native to eastern and central North America. Non-showy, small green flowers appear in spring before the foliage emerges. Leaves typically turn yellow in fall. 'Valley Forge' has excellent resistance to Dutch elm disease.

2

Option #3

Northern Pin Oak

The Northern Pin Oak is native throughout North & North-Central America. It's a stately medium to large tree for yards with plenty of sun. Northern Pin Oaks will grow to be about 60 feet tall at maturity, with a spread of 50 feet, with a lovely oval-shaped crown that provides plenty of shade as the tree matures. The leaves of Northern Pin Oak are a darkish green and the fall color is a deep red-russet, turning brown as the season advances.

3

Option # 1

Sun Valley Maple

The Sun Valley Maple is a showy fall-coloring accent tree for the home landscape, featuring an upright oval habit of growth, attractive red flowers in early spring, and brilliant red foliage in fall. It grows more slowly, and it matures between 20 and 35 feet tall with a spread of 15-25 feet. And yes! It is seedless!!

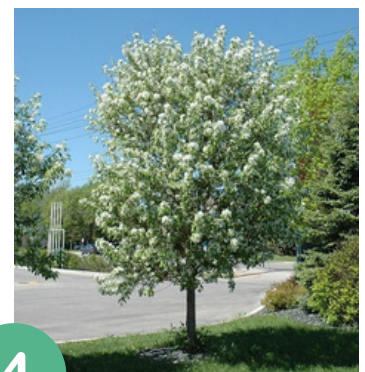

1

Option # 4

Spring Snow Crabapple (Ornamental)

This Spring Snow crabapple provides fragrant, white blooms in the spring and stunning yellow foliage in the fall. It's also fruitless, saving you the clean-up time required for traditional crabapple trees. This variety's dwarf size also makes it a fantastic choice for smaller spaces.
